

Spring 2011

Dear Prospective Raveneaux Racer Team Sponsor,

The Raveneaux Racers Swim Team is a non-profit organization. The team is a member of the Northwest Aquatic League (NWAL), which has over 15,000 young swimmers in the greater Houston area.

Our 2010 Racer team was home to over 140 swimmers between the ages of 4 and 18, and their families. The swim team experience provides a wonderful opportunity for kids of all ages and swim levels to learn and improve their swimming skills, to work towards a common goal as a team, and for families to spend time together - all while having lots of fun.

Our team depends on the generosity of businesses and individuals. Depending on the number of swimmers who register each year, we may have as many as three paid coaches. In addition to these salaries we provide the swimmers with T-shirts, Trophies and Awards for their many accomplishments, an Awards Banquet and many other necessities that make swim meets run efficiently to maximize everyone's enjoyment.

We ask that you consider helping our team by sponsoring any amount you can. Attached you will find the suggested levels of sponsorship available and the benefits associated with each level. We will also gladly accept any other amount you might like to donate. The average Raveneaux Racer swim meet has upwards of 250 swimmers in addition to their families in attendance. Raveneaux will swim 5 meets this year, plus the season ending Divisional Meet. Many of our swimmers will participate in Invitational meets as well. These swim meets are wonderful opportunities for people to see the names of our sponsors prominently displayed on banners, t-shirts and in other ways that help to increase the visibility of your business.

If you are interested in sponsoring this year's Raveneaux team, please make your check payable to *Raveneaux Racers* and drop off, or mail, to Heidi Beale, 9515 Tranquil Park Dr, Spring, TX 77379. If you have any questions, I can be reached at (281) 370-0423 or hbeale2000@aol.com. If I am not available, please contact our President, Bill Ebanks, at 281-370-8064 or webanks@att.net.
